

# Elo PayPoint® Plus for Android™

All-In-One POS Platform

Plug & Play

Industry Standard Peripherals

3-Year Warranty

## Product Overview

PayPoint Plus for Android is an all-in-one mPOS solution that brings simplicity and elegance to the point of sale with powerful Qualcomm® Snapdragon™ processing and an Android 7.1 Nougat OS. Offering sleek, modern style with peripherals built in, PayPoint Plus for Android integrates a 15.6-inch TouchPro™ PCAP touchscreen, 3-inch Star receipt printer, industry standard 16-inch cash drawer, Magtek MSR, Honeywell 2D barcode scanner and a customer facing display\*. 3rd party peripherals can also be added through one of the many I/O connections, allowing for an EMV payment terminal, second cash drawer or scale if needed.

PayPoint transforms traditional POS into a beautiful and functional space-saving solution to help you to better serve your customers. The flip-for-signature screen encourages shopper engagement and electronic receipt delivery. And, with its single cable design, PayPoint makes setting up the point of sale system fast and easy - just unbox, plug in, connect, and go.

Deploy your POS software on a stylish all-in-one platform with the ease of a single cable for installation

Remotely manage your device and deploy your content on PayPoint with EloView®

Increase speed at checkout with powerful processor, upgraded memory and Wi-Fi/BT connectivity

## Elo PayPoint® Plus for Android™

| Specifications                        |   |
|---------------------------------------|---|
| Color                                 | White   |
| Processor                             | Qualcomm Snapdragon Octa Core 2.0GHz  |
| Memory (RAM)                          | 3GB on board memory   |
| Storage                               | 32GB SSD  |
| Ethernet Port                         | 1 x LAN RJ45 (Gigabit)  |
| Wireless                              | 802.11 b/g/n/ac; Bluetooth: 4.1   |
